## FROM THE CEO

Mobility Planning is the seamless movement of people and their assets, with the key word being seamless. It's the seamless movement and security of our clients we take very seriously.

Alpha Logistical Protection Services, Inc. is the Mobility Planning and Security organization to oversee your safety and security during travel, be it business or pleasure, domestic or international. We are accredited by the International Air Travel Association (IATA) and comply with the latest ISO 31030:2021: Travel Risk Management (TRM) guidelines. That means we will take every measure to ensure your safety throughout your journey. The team here takes immense pride in serving our clients. Whether we are moving people or cargo, we do it with efficiency and professionalism.

As a former U.S. Army aviator, I fully understand the importance of team trust and safety. It's your trust we look to earn and safety we will maintain.

**A. Bashir**

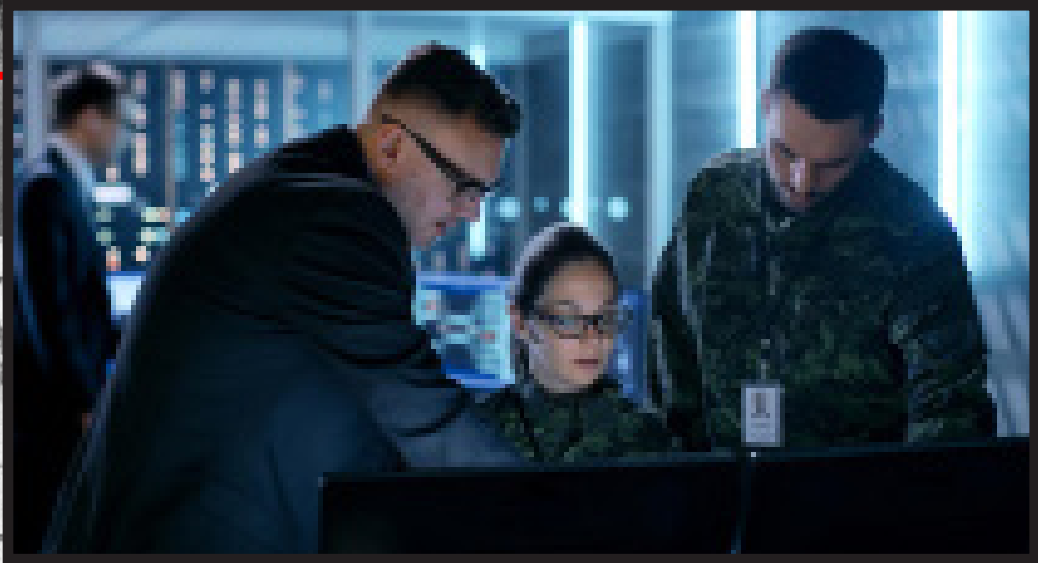

## OUR MISSION

Alpha Logistical Protection Services, Inc. is the security planner and provider for all your travel needs. Our team of highly experienced members take a disciplined approach ensuring you and or your assets are secure while conducting travel for business or leisure.

## OUR VISION

We aim to make your travel experience as seamless as possible with a focus on safety and efficiency. We accept the difficult challenges and provide a realistic solution to provide a service above the norm.

## WHO WE ARE

Our team is comprised of former Law enforcement Officers, U.S. Military Special Forces, Aviators, and Tactical Planners who have “been there and done that!”. With over one hundred years of combined experience working in austere environments around the world, we are always ready to go whenever and wherever you need us.

## OUR VALUES

**INTEGRITY:**  
We provide solutions that are realistic, thoroughly screened with a precision focus on the finer details.

**DISCRETION:**  
Client information and service provided is secure with us.

**FLEXIBILITY:**  
Our ability to adapt to a changing environment and continue to effectively provide the service you require.

**EXPERIENCE:**  
Our team is comprised of former Law enforcement Officers, U.S. Military Special Forces, Aviators, and Tactical Planners who have “been there and done that!”

## TRAVEL RISK MANAGEMENT

Within the scope of Duty of Care, travel risk management requires that organizations anticipate and assess the potential for events, develop solutions and communicate anticipated risk exposures to their travelers. Advising and providing travelers with adequate medical and emergency response guidance, security, and information security precautions, including challenges to travel logistics, which can significantly impact the out-come of disruptive events.

## TRAVEL RISK MITIGATION

Traveling to a foreign location for the first time or the tenth can prove challenging. We take a comprehensive approach to assessing the safety of your region of travel. Whether the threat is passive or active, its identified and a plan is developed to eliminate the risk or minimize your exposure to it.
